

WEEKLY REPUBLICAN—1907.
DAILY PUBLIC LEDGER—1898.

MAYSVILLE, KY., WEDNESDAY, FEBRUARY 10, 1909.

ONE COPY—ONE CENT.

See big line of Nets at Hunt's.

Vote for Charles Slack for Coroner.

Have Maysville business houses and factories taken any steps towards observing the Lincoln centenary next Friday? The afternoon, at least, should be observed and all kinds of business should close. The Banks will be closed all day.

The regular weekly prayer-meeting will be held at 7 o'clock this evening at the Christian Church. Immediately following will be the meeting of the Teachers' Training Class, the lesson being one of especial interest. Every member of the class is urged to be present.

Yesterday, shortly after the noon hour, a stranger walked into a freight car being unloaded at the C. and O. Depot and deliberately picked up a package containing four quarts of whiskey and walked off with the goods before the theft was discovered. Soon the entire police force, with several county officials added, were on the trail of the bold buccaner, but he gave them the slip and made good his escape. A tramp tailor who hit the town was suspected as the guilty party.

INJUNCTION GRANTED

Cincinnati Gas Transportation Company Enjoined From Passing Over the Day Heirs Farm

January 27th the Day heirs got a restraining order against the Cincinnati Gas Transportation Company prohibiting it from laying pipe lines across the lands laid off to their mother as dower out of the estate of their father.

The mother, Mrs. Day, having agreed that the pipe line should be laid across this tract, but the heirs, who will inherit the land upon the death of their mother, claim that the laying of the pipe line will permanently injure the land.

The Cincinnati Gas Transportation Company gave notice that it would move for a dissolution of the restraining order before Judge Harbeson at Brooksville on Monday. The parties appeared in accordance with the notice, and upon a hearing Judge Harbeson refused to dissolve the restraining order and on motion of the Days granted an injunction against the Cincinnati Gas Transportation Company.

The pipe line people asked for an appeal, which was granted, and the motion for dissolution will be heard at Frankfort one day this week by Judge Barker of the Court of Appeals.

Attorney Thomas D. Slatery represented the Day heirs and Attorneys J. G. Wadsworth and A. D. Cole of this city and W. C. Halbert of Vauclough represented the Cincinnati Gas Transportation Company.

The State Convention of League of Kentucky will be held in Louisville February 16th, 18th. The Rev. G. W. Bouton is on the program for an address on "The Progress of 10 Years."

Certain lake coal carrying roads are threatening war against the Chesapeake and Ohio Railroad, and, according to a dispatch from Pittsburgh, expect by means of threats to have the C. and O. road charge a higher rate for carrying coal to the lakes from the Pocahontas field. The allegation is made that this line is carrying coal at an actual loss in order to hold some other business, and that other roads suffer by comparison.

A Mild Laxative For Baby's Bowels

Doctor Points Out Dangers of Pills and Cathartics

"Salts, purgatives, and violent cathartics are dangerous when given babies, children or delicate women," says a well known doctor. "Neither should they be given medicines containing narcotics for stomach or bowel troubles."

It would be well for mothers to heed this warning and keep on hand a bottle of Dr. Caldwell's Syrup Pepsin for baby and herself and for any member of the family that has need of a laxative or a stomach remedy. It is safe and pleasant to take and has cured old people of chronic constipation and dyspepsia, of many years' standing, and yet is harmless for a baby as many a happy mother can testify. It brings natural daily movements, sweetens the stomach, aids digestion and stimulates the torpid liver to proper action. The children like it. Lulu Weathers, the popular hotel maid in Indianapolis, says: "The children like it, we all use it and would not be without it in the house." Mrs. Mattie Crouch, Tiptonville, Tenn., cured her 5 months' old baby of indigestion with it. Mrs. Almon Willis, Jamaica, Vt., says it saved her baby's life. Mrs. A. B. Cunningham, Fresno, Calif., says she can't keep house without it. It cured her little son of rheumatism and stomach trouble.

Mrs. Flora Hebrew, Bow Creek, Kan., says: "Dr. Caldwell's Syrup Pepsin cured my little girl of constipation. I cannot recommend your splendid remedy too highly for children."

Mrs. Mary E. Young, Burlington, Ia., writes: "I cheerfully recommend it to mothers as the best laxative for children."

Mrs. Alice Miller, Canal Dover, Ohio, has used Dr. Caldwell's Syrup Pepsin with splendid results as a laxative for children.

All druggists sell it at 50c and \$1.00 per bottle. Syrup Pepsin Co., 301 Caldwell Bldg., Monticello, Ill., will send a free sample to any one who has never used it and will give it a fair trial.

JOHN D. AND C. AND O.

Plausible Report Is That Standard Oil Company Controls Road

The positive assertion is made in Pittsburgh that control of the C. and O. Railroad has been acquired by the Standard Oil Company and that the oil concern will at once enter the coal-carrying trade between West Virginia, Ohio and the Lakes.

The admission that the Standard is in control was wrung from the C. and O. by other coal-carrying roads, which had demanded that it cease carrying coal to the Lakes for almost a third of a mill a ton a mile less than actual cost of transportation.

It is asserted that the Standard has at last worked out a line to the Lakes direct, aided by Joseph Ramsey, who was for many years head of the Gould interests, but who now has control of lines extending practically from the Lakes to the Ohio river at Pomeroy.

Stop Women And Consider

This Fact — that in addressing Mrs. Pinkham you are confiding your private ills to a woman — a woman whose experience with women's diseases covers twenty-five years.

The present Mrs. Pinkham, daughter-in-law of Lydia E. Pinkham, was for years under her direction, and has ever since her decease continued to advise women.

Many women suffer in silence and drift along from bad to worse, knowing well that they ought to have immediate assistance, but a natural modesty causes them to shrink from exposing themselves to the questions and probable examinations of even their family physician. Such questioning and examination is unnecessary. Without cost you can consult a woman whose knowledge from actual experience is great.

MRS. PINKHAM'S STANDING INVITATION:

Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham at Lynn, Mass. All letters are received, opened, read and answered by women. A woman can freely talk of her private illness to a woman; thus has been established this confidence between Mrs. Pinkham and the women of America which has never been broken. Never has she published a testimonial or used a letter without the written consent of the writer, and never has the company allowed these confidential letters to get out of their possession, as the hundreds of thousands of them in their files will attest.

Out of the vast volume of experience which Mrs. Pinkham has to draw from, it is more than possible that she has gained the very knowledge needed in your case. She asks nothing in return except your good will, and her advice has helped thousands. Surely any woman, rich or poor, should be glad to take advantage of this generous offer of assistance. Address Mrs. Pinkham, care of Lydia E. Pinkham Medicine Co., Lynn, Mass.

Among the articles of incorporation filed last week in the office of the Secretary of State at Frankfort were those of Augusta Lodge No. 62, Knights of Pythias, Grand Domain of Kentucky, Bracken County. There is no capital stock and the incorporators are P. P. Wolfe, George W. O'Neill, C. W. Smith

THE PERFECT WAY.

Scores of Maysville Citizens Have Learned It.

If you suffer from backache, There is only one way to cure it. The perfect way is to cure the kidneys. A bad back means sick kidneys. Neglect it, urinary troubles follow. Doan's Kidney Pills are made for kidneys only.

James Wells, living on Front street, Vanceburg, Ky., says:

"About one month before I began using Doan's Kidney Pills my back began to ache and pain and caused me a great deal of annoyance. I knew that if the trouble was not eradicated it might prove fatal. Often when I came home at night and went to bed the trouble was so severe that I had to continually change my position, and during the day I had to pass the secretions every little while. A friend advised me to try Doan's Kidney Pills. I procured them and the use of one box entirely cured me. I have had no symptom of kidney trouble since and give the credit to Doan's Kidney Pills."

THE PERFECT WAY.

Scores of Maysville Citizens Have Learned It.

If you suffer from backache, There is only one way to cure it. The perfect way is to cure the kidneys. A bad back means sick kidneys. Neglect it, urinary troubles follow. Doan's Kidney Pills are made for kidneys only.

James Wells, living on Front street, Vanceburg, Ky., says:

"About one month before I began using Doan's Kidney Pills my back began to ache and pain and caused me a great deal of annoyance. I knew that if the trouble was not eradicated it might prove fatal. Often when I came home at night and went to bed the trouble was so severe that I had to continually change my position, and during the day I had to pass the secretions every little while. A friend advised me to try Doan's Kidney Pills. I procured them and the use of one box entirely cured me. I have had no symptom of kidney trouble since and give the credit to Doan's Kidney Pills."

Plenty more proof like this from Maysville people. Call at J. Jas. Wood & Son's Drugstore and ask what their customers report.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
